

SUPPORT THE CLUB. SPONSOR LOCAL INNOVATORS!

What is Chesterland Innovation Center?

This is a special place where business ideas come to grow! Startups and innovators find a community of dedicated people who want to help them start and grow their ideas. It is a place where everyone believes that every business idea deserves a chance to thrive.

How does sponsorship help startups and innovators?

As a sponsor, you are impacting the innovation and growth of our business community. You are instilling the belief that anything is possible if we come together to support people with the courage to start something new.
